POSTER EXHIBITION:

Attendants may share their research findings at the poster exhibition. These are the recommendations:

1. Language:

The poster should be written in English

2. Dimensions:

The poster should be written with portrait (vertical) orientation.

The dimensions should be 100 cm long x 80 cm wide.

3. Fonts:

The posters should be easily read at a 1.5 m of distance.

This could be accomplished when 28 - 36 pt is used.

4. Poster Location:

The poster frames and location will be assigned according to the order of registration

5. Poster setup and removal:

The authors are responsible of hanging up the Posters at the beginning of the course and the removal of them at the end of the event.

6. Poster schedule:

Poster setup:

Wednesday October 9th, 16:00 – 18:00 H.

Thursday October 10th, 6:00 – 8:30 H

Poster removal:

Saturday October 12th: 16:30 – 18:00 p.m.

* Unclaimed posters will be discarded. The organization does not assume any responsibility.

7. Recommended structure for the Posters (Fig 1.)

The Figure 1 is an example on how to present the poster. It does not pretend to be a straitjacket, just a guide to organize the poster sections. WORLDMUSCULUS cheer authors to be as creative as they prefer.

- Title
- Name and author affiliations.
- Institution, city, country, e-mail.
- Introduction
- Objectives
- Methodology
- Results
- Conclusions
- Graphs and tables
